

# This project is brought to you by the Crawley Growth Programme

13 February 2018

Dear Sir/Madam

## Resurfacing Works

### What we're doing

Resurfacing will soon start along **Haslett Avenue East, Three Bridges**.

This will involve repairing the road surface with new materials.

**When driving on the new road surface, please keep to the signed temporary 20mph speed limit and avoid heavy braking to allow the surface to settle and avoid potential damage to vehicles.**

For further updates or amends to our programme, please visit our web page:  
[www.westsussex.gov.uk/travelinfo](http://www.westsussex.gov.uk/travelinfo)

### How will this affect you?

Work is expected to take place week commencing **Monday 26 February** for approximately 14 working days, between the hours of **8pm to 7am Monday to Friday only**. Please note that this is subject to changes due to weather conditions, equipment breakdown or emergencies taking priority.

Traffic management will be in operation for the duration of time we are onsite which will consist of a road closure from the junction with Stephenson Way to Worth Road. Parking will be temporarily suspended whilst the work is carried out; this will be indicated onsite with signs. Residents within closed areas will always be provided access; however there may be some delay for safety reasons. Access to Three Bridges station will be limited to long term parking only. For dropping off/picking up it is recommended to use Hazelwick Ave or Station Hill. Pedestrian access should not be affected providing there are footpaths to use. If not, the onsite team will assist with this.

### Further information

Thank you for your cooperation and patience whilst these works are carried out. For further information, please visit our website at the top of this letter or liaise with the onsite team, as they might be able to answer your query quickly. For any concerns you might have, you can email us at [www.westsussex.gov.uk/roadpavementenquiry](http://www.westsussex.gov.uk/roadpavementenquiry) or call on 01243 642105 (phone lines are open weekdays between 8am – 6pm).
